Continence Care

VaPro Plus Pocket catheters provide 100% No Touch Protection with a protective tip and sleeve

No touch catheter with an integrated collection bag in a pocket size package.

Discretion

- Offered in pocket-size packaging for easy transportation and discreet out of home use

Ready to Use

- VaPro catheters are ready to use right out of the package with no extra steps required

Collection Bag

- No toilet or receptacle is needed with the integrated collection bag of VaPro Plus Pocket Catheters
- Easy-to-open and Easy-to-empty collection bag for cleaner handling

Protective Tip

- Helps shield the sterile catheter during insertion from bacteria located in the first 15mm of the distal urethra
- Helps reduce the risk of carrying bacteria into the urinary tract

Protective Sleeve

- Allows the catheter to be gripped anywhere
- Provides a barrier to the catheter to help keep germs away

Protective Tip and Collection Bag represent 16" Products
